NATIONAL CONFERENCE ON SECURITY OF HOSPITALS AND MEDICAL & HEALTH PROFESSIONALS

THEME: ENHANCED SECURITY ACTION PLANS FOR HOSPITALS,
MEDICAL DOCTORS AND OTHER MEDICAL AND HEALTH
PROFESSIONALS: CHALLENGE OF COLLECTIVE RESPONSIBILITY.

DATE: 7 - 9 March, 2018 (Arrival: 6)

VENUE: Nugget Hotel, Utako, Abuja

BACKGROUND AND OBJECTIVES

It is now a matter of clear, present and urgent necessity for all stakeholders in the health sector, including Federal, State and Local Governments and Unions, Associations and Institutions, to work together to develop and implement practical action plans for enhanced security for Medical and Health Professionals. The unfortunate current reality is that Doctors and other Medical and Health Workers have become targets of choice for kidnappers and criminals across the country. The conference brings critical stakeholders together to brainstorm on action plans.

CONTENTS

- Security risk management for hospitals, medical and health workers for National healthcare delivery.
- Different security risks for different categories of medical professionals
 - Security threat, risk and vulnerability for medical and health workers: personal, team, organizational and staffing due diligence.
- Movement security due diligence: preparation; travel/Movement on the road, boat, airplane.
- Kidnapping and hostage-taking: risk reduction; managing kidnap incidents to survive; communicating and negotiating with captors; managing the aftermath.
 - Security risk deterrence and protection strategies for hospitals: site selection; perimeter reinforcement; surveillance.
 - Information and record management, communication, incident and post-incident monitoring and reporting; the media.
 - Cash and electronic money security.

SECURITY BEST PRACTICES MANUAL FOR MEDICAL AND HEALTH WORKERS.

Proceedings of the conference will be published and circulated as security due diligence and best practices manual for hospitals, medical and health professionals.
